MONIER

ENERGY EFFICIENT ROOFING SOLUTIONS

Up to **45%*** electricity cost savings

With more than 50 years of roofing experience, MONIER Research & Development centre in Malaysia and Europe has specifically engineered for the Malaysian climate, Energy Efficient Roofing Solutions (E^3) which contribute to the effort to protect the Environment.

Apart from bringing the MONIER standards of performance and aesthetics, this latest innovations help our customers to reduce their energy needs and carbon footprints hence lowering their impact on the environment. MONIER Energy Efficient Roofing Solutions consist of **MONIER CoolRoof®** and **MONIER SolarRoof**. Both of these solutions minimise energy consumption and provide significant cost savings for our customers.

For more information, please call **1 800 88 0865**, email us at **roofing-malaysia@monier.com**, visit **www.monier.com.my** or our exclusive showroom at the address below.
