MESSAGE FROM THE GUEST OF HONOUR CLOSING CEREMONY OF SHAREDA PROPEX'09

YB DATUK EDWARD YONG OUI FAH

ASSISTANT MINISTER OF LOCAL GOVERNMENT AND HOUSING

I wish to commend **Mr Wong Ten An**, Organising Chairman and Committee Members of SHAREDA PROPEX'09 who have put in tremendous efforts towards the success of this yearly event and for inviting me to officiate the Closing Ceremony on Sunday, 4th October 2009.

SHAREDA achieved a significant milestone when **Datuk Susan Wong Siew Guen** was elected as the first lady President to lead SHAREDA. Through her dynamic leadership, the Association will achieve greater heights in future.

SHAREDA PROPEX'09 has established its role as the leading property expo organiser devoted to the property industry players and related businesses. This has been an ideal platform for participants to showcase their latest products and services to the public.

This year, the theme on "**Building Towards A Green Future**" is not merely a slogan, but effort to promote more environment-friendly approaches development in order to safeguard the environment for our future generations.

With the implementation of stimulus packages on track, the Government is confident the economy will be seeing some recovery and improvement by next year. The Ministry of Local of Government And Housing is committed to supporting relevant initiatives proposed by professional bodies, industry players, etc, particularly from SHAREDA for the betterment of the housing industry.

I urge those who have yet to visit the exhibition, please do so as the exclusive event will give you the opportunity to meet directly with the exhibitors, giving you the confidence and security that you need before you purchase their products.

I wish to commend the efforts of the relevant agencies, departments and participants for their support in this endeavour. Hope to see you at the next SHAREDA PROPEX'10!

Thank you.

YB DATUK EDWARD YONG OUI FAH
