MESSAGE FROM
THE GUEST OF HONOUR
OPENING CEREMONY OF SHAREDA PROPEX'09
YB DATUK HAJI HAJIJI HAJI NOOR
MINISTER OF LOCAL GOVERNMENT AND HOUSING

Congratulations to Sabah Housing And Real Estate Developers Association or SHAREDA under the leadership of your new President, **Y.Bhg. Datuk Susan Wong Siew Guen** and **Mr Wong Ten An,** Vice President and Organising Chairman together with the committee members for successfully organising the **SHAREDA PROPEX'09 – Sabah Ultimate Home And Property Exhibition 2009** with the theme ***"Building Towards A Green Future."***

This is the 10 th edition of SHAREDA's one-stop home and property exhibition to raise the vibrancy and confidence level of the real estate sector. This annual property exhibition showcases not only the local property products but, also attracted participation from developers in Peninsular Malaysia for their high-end products. In this trying economic condition, your efforts to challenge the wait-and-see attitude of property investors and home-seekers are commendable.

I am confident that SHAREDA will continue to stretch its limits to resolve, together with the relevant authorities, issues highlighted in the Sabah Housing Conference 2009 held in August this year with the theme "*Good Governance Towards Quality Housing And Services*".

I wish to also commend SHAREDA for continuing to collaborate and corroborate with the State Government, in particular the Ministry of Local Government And Housing and its agencies to push this sector to a higher level of excellence. We should all work together positively in line with the Government's policies with emphasis to embrace the green concept, energy efficiency and sustainable environment.

I wish you a fruitful and successful exhibition!

Y.B. DATUK HAJI HAJIJI HAJI NOOR
MINISTER OF LOCAL GOVERNMENT AND HOUSING, SABAH
